

HOW IT WORKS

UPCYCLE

You must upcycle an item purchased from Columbiana, Ohio. This item must be the main piece of your final product. Any other materials purchased to create the final project must not total over \$25. These items are not required to come from a Columbiana business. Select businesses have offered to provide items at reasonable rates specifically for the Columbiana Flip & Auction. These locations are listed on BrixnBrew.com and the Facebook event or feel free to ask Columbiana retailers if they have special items.
